Our Mission

To support the Sweeny FFA in their ongoing growth to becoming the leaders of tomorrow.

The Sweeny FFA Alumni was established in September 2017 and has launched a community support campaign to help FFA youth: replace project items lost in storm events; provide fees and travel expenses for Leadership and Skills contests such as Parliamentary Procedure, Vet Science, Judging, Mechanics, Public Speaking, Floral Design, and Nutrition; provide Project Materials and help replace outdated/unrepairable equipment needed by the department; and provide Scholarships for graduating seniors.

Over the years the needs of the department have outgrown the funding ability of the school district. With any educational program the challenge is to keep up with new technology so that our youth are prepared when they graduate Sweeny ISD. Our goal is to help the FFA meet these challenges.

The FFA Alumni is a charitable, non-profit organization, and your sponsorship would be considered a tax deductible qualified sponsorship of activities. If you rather provide a standard donation, this too is tax deductible.
